

EVENT EXPERTS

We're more than a general service contractor—We're your partner. Pulling off great trade shows and unique event experiences is a lot of work. Fortunately, that has been our business for over 25 years. We take the time to understand your event, budget and vision. Then we make the experience effortless by streamlining the details and delivering quality services that are affordable, targeted and customized. At AGS, we don't believe in cookie-cutter events. **We focus on what's best for YOU, and we DO IT.**

Big enough to offer a full suite of services ... small enough to remember what customer-centered service is.
